

Court of Appeals, State of Michigan

ORDER

People of MI v Lawrence Eugene Dell

Docket No. 261013

LC No. 95-001361-FC

Patrick M. Meter
Presiding Judge

Stephen L. Borrello
Judges

The Court orders that the motion to waive fees is GRANTED for this appeal only.

The delayed application for leave to appeal is DENIED because both the trial court and this Court are bound by this Court's order in Docket No. 250754 denying defendant's previous application for leave to appeal for lack of merit in the grounds presented. Law of the case doctrine precludes reconsideration of defendant's petition. *Tebo v Havlik*, 418 Mich 350, 381; 343 NW2d 181 (1984); *People v Hayden*, 132 Mich App 273, 297; 348 NW2d 672 (1984).
